The September 19, 2017 letter that I received from the FBI indicates that it only searched the "Central Records System" and that it was unable to identify "main file records" responsive to the FOIA. My request was not limited to the Central Records System nor to main file records. Any responsive records likely would be found in emails, hard copy documents, and other files in the FBI's Washington Field Office. In my experience, the FBI often does not search email accounts in response to FOIA requests, and it appears that it did not search email records in this instance. The
